

Ambassador activities – Youth Network NORD

What is it about?

As part of the *Youth Network NORD* project, selected youth can design and carry out simple “ambassador activities” for young people across the Nordic region. The ambassador activities should aim to promote one or more of the following:

- Nordic community and curiosity among young people
- Greater understanding of Nordic culture, languages, and cooperation
- Collaboration between youth organizations across the Nordic region

Examples: Events at festivals or people’s meetings, Nordic song nights, initiatives or meetings that foster or strengthen collaboration between Nordic youth organizations

Who can apply?

If you have previously participated in a NORD activity, you can apply to receive support to organize your own activity.

Choose your format:

- Standard Ambassador Activity (Min. 30 participants, Budget: 22,500 DKK, Approx. 2 people to travel and organize)
- Large Ambassador Activity (Min. 60 participants, Budget: 45,000 DKK, Approx. 4 people to travel and organize)

How do I get started?

1. Send your idea to Hanna (project manager) and get sparring. 2. Fill out a short project description and budget. 3. Once the activity is approved, you can start planning – Hanna can help with the practicalities! 4. After the activity, you hand in simple documentation.
