

WALK & TALK

- 1) Tell each other about the organizations you are active in back home:
 - Tell about the organization
 - Tell about your role
 - What is the most interesting thing about your organization or role?

- 2) What motivated you to participate in this seminar?
 - If you should create a project with a youth organization from another Nordic country – What would it be? Dream and imagine!

- 3) What do you see as a stereotype of your country that you would like to eliminate?
